Central and Masaka Regions and Kampala Baptist Church

Since 2009, Kampala Baptist Church (KBC) and Bethel Grove Bible Church, of Ithaca, NY, have spent considerable time engaging pastors and church leaders in Uganda's Masaka Region. Also, KBC has served churches in the Central region with great consistency for a number of years. Since 2014, *Partnerships For Training Pastors and KBC* have worked with pastors and church leaders in order to identify a group of emerging leaders from many churches in these two regions. These pictured individuals, from Masaka and Central Regions, are joined by several KBC ministry leaders in this Project.
