

Thoughts from Dave and Joyce – Equipping faithful individuals to train others, who are qualified to train others, is at the core of our mission. It’s our bedrock principle. In 2 Timothy 2:2, Paul urges Timothy to “entrust” to faithful individuals the things he heard Paul preach and teach in front of many witnesses. No secret messages, but the full orb ed gospel that transforms lives and nations. That’s what we have attempted to do with the Training of Trainers group. They are excited about what God is doing in their areas through the teaching of God’s Word. Keep these friends in your prayers as they serve in unique and life-changing ways.

Training Event News

Mubende

Northern Oyam

Tororo

During November, several training events were led by members of the Trainer of Trainers (TOT) group. **In Mubende**, more than 50 pastors and church leaders gathered, from several denominations, to study the Bible. At the end of the seminar, the consensus was “we want to continue learning.” **In Northern Oyam**, Pastor Mike Nam offered a weekday afternoon Bible School for the entire month. The training in **Tororo** has progressed to work primarily with emerging leaders. Each of these training events fulfills the larger vision of developing biblical pastors and emerging leaders so that the church will grow and impact the entire country with the gospel.

A New Training Site? – On Monday, Tuesday and Wednesday, December 6-8, our Kampala Baptist Church partners will travel to Western Uganda for a vision trip to Kasese. This visit will identify the training needs of the region, as well as determine the interest of the local church pastoral leaders in developing emerging leaders. **Please pray for the trip**, as it will involve a long drive coupled with the need for wisdom and clear communication in determining our future training involvement in the area.

Thanks for your prayers – Look for our annual report in Mid-December

2021 Year-End Gift Update – As of today, \$3,200 is given towards meeting our year-end giving goal of \$15,000. With the growing demand for biblical resources, several new writing projects are scheduled for 2022. Your gift will assist in the translation and printing of materials for current and new training areas. With the decrease in the value of the US dollar, our Accountability Group increased our 2022 budget to \$132,000. Your gifts help us cover the increased costs of our expanding ministry. If you desire to provide a year-end gift, go to <https://newhorizonsfoundation.com/404> or visit our support page at www.partnershipsfortraining.org for details. Thanks for considering this giving opportunity.
