

June 14, 2022

Good morning friends,

It's good to be back home with Joyce after eighteen days in Uganda. We don't take for granted the wonderful partnership God has given us. Joyce freely says "go" until the time we can travel together again. We hope that will be in early 2023.

As you might imagine, the May 21-June 9 trip was incredible. Travel to new regions of Uganda produced many highlights and memorable connections with pastors and church leaders. Extended teaching times were received by eager learners. Reviewing and fine-tuning existing seminars was accomplished. Videos were produced. Planning for future 2022 training was finished. In reality, God was present each step of the journey.

As we approach the mid-point of 2022, we want to keep sharing what is happening in Uganda. First, click the link below to view a new video that overviews our training in the Kapchorwa and Kasese regions of Uganda. Then, in July, a summer update will come your way highlighting additional Ugandan partner outreach in June. Stay tuned for more details.

Thanks for your prayers, support, and encouragement. We are grateful for your partnership and trust that the weeks to come will be filled with God's gracious presence as you navigate life before the Lord.

With thankful hearts,
Dave and Joyce
