

Thoughts from Dave- July 1st marked the beginning of our 9th year of training pastors and emerging leaders with global partners. It's been quite a journey. Initially Uganda was our sole focus. Then, by God's grace, three other nations appeared on our radar. Since COVID, our primary focus has returned to the expanding training opportunities across Uganda. In the meantime, our other partners are faithfully engaged in their ministry outreach. Give thanks for what God is doing in Peru. We thank God for your partnership as together we serve God's people in this way.

TRAINING LEADERS AND PASTORS ABOVE 13,000 FEET!

High in the Andes Mountains, the Quechua ministry of Pacha Waray is led by Felix and Humbelina of our Language, Literacy, and Life partners, Felix writes:

“On June 18th and 19th, Pacha Waray held a training workshop for the leaders and pastors near the community of Tingo Pampa - Incacocha. More than 20 leaders and pastors attended. They expressed their delight and the ease it was to understand the topics presented in Quechua. At the end of the course, participants received a set of the materials to teach in their own communities. They were

confident that they would be able to teach what they had learned....”

Felix continues, “They asked us to continue preparing more materials and more training. I ask for your prayers for this to become a reality. They want and need a more complete knowledge of the Word of God and to live a full life trusting in the God of the Bible.”

A Reminder About Our Peru Partnership- *Partnerships for Training Pastors* is providing limited financial resources for the training events, the printing of training material, and help with radio broadcasts to remote Quechua areas. Give thanks with us for what God is accomplishing!

Dave's Ugandan Trip Schedule

August 27-28 – Flights to Entebbe, Uganda

August 29 – Connect with partners in Kampala

August 30 – September 2 – Emerging Leaders training in Tororo

September 3-5 – At Kampala Baptist Church

September 6-9 – Training Pastors in Kasese

September 10-11- In Kampala, working with our training partners and mentoring TOTs

September 12 – Pastoral Trainers event at Kampala Baptist Church

September 13 – Wrap-up day with partners and 11:30 pm flight to US.

September 14 – Arrive at Harrisburg International Airport at 5:15 pm.

KEY UGANDA PRAYER POINTS

- Pray for the **Tororo Emerging Leader's** training and our study of the book of *Ephesians*.
- **Pastoral training in Kasese** is at a critical juncture. Conflict among church leaders compels us to teach our seminar on *Servant Leadership for Today*. In September, we will consider the character of a leader and leadership competencies in early December. Ask the Lord to change the leadership culture in the region.
- **On September 12**, we are seeking to bring other Ugandan pastoral trainers together to hear about their ministry and pray for the Ugandan church. Pray that this will be a unifying event.
- Pray for **journey mercies** as travel occurs in Uganda and across the oceans.

Thanks for your prayers, encouragement and support – We are grateful!
