

November 26, 2022

Dear Friends,

Today was the scheduled departure date for a return trip to Uganda. Because of the ebola outbreak in several regions of the country, Pastor Andrew and Daudi recommended that the trip be postponed until January. Smart move, but still disappointing. Ironically, Delta Airlines kept sending boarding pass updates even though the flights were cancelled. Each message from Delta led us to give thanks for the incredible team of Ugandan trainers who will travel to Kasese and Kapchorwa. Grounded but grateful.

We also are grateful for your ongoing support of *Partnerships for Training Pastors*. Your consistent prayers, encouragement, and financial support provide the impetus to equip global pastors. As we move toward 2023, we developed a short video that gives the reasons for 2022's year-end gift opportunity. Here's the link for you to explore.

Our gift goal is \$15,000 and each year-end gift will go **to developing and equipping a new "Cohort Group"** of Ugandan trainers, as well as assist in **the translation and printing of resource material**. These two projects will add 15-20 additional national seminar leaders and much needed translated material for biblical study in their own Ugandan regions.

If you desire to give, visit the *New Horizon Foundation* website for credit card or other donations at <https://admin.newhorizonsfoundation.com/donation/create/378>. Checks should be made out to ***New Horizons Foundation Inc.*** with *Partnerships for Training Pastors* on memo line and sent to:

Thanks for considering this year-end gift request. May the upcoming Advent season provide new perspective for us all as we stand on the edge of 2023.

With grateful hearts,

Dave and Joyce
