

February 8, 2023

Dear friends,

Our favorite local TV weatherman recently mentioned that January was the third warmest in Central PA recorded history. Not bad for only moving 200 miles south of Ithaca. In the past, January was a good time for us to travel to Uganda. Since we missed experiencing the relational warmth of our Ugandan friends last month, we take great joy in hearing about the **HOT** ministry start of our partners.

The attached Update will fill you in on the events that kicked off our 2023 schedule and includes an **immediate prayer request for Pastor Andrew**. Also, plans are coming together for Dave's March 1-16 trip to Uganda, so keep him in your prayers as he finalizes details.

Thanks for your prayers, encouragement, and overall support. Please pray that the Lord's presence and provision will be our steadfast anchor through the joys and challenges of a new year. That is our prayer for you as well!

With grateful hearts,  
*Dave and Joyce*
