Buvuma Islands Pastors

Last week, twenty-five pastors and church leaders, from Islands in Lake Victoria, joined the pastor of the host church for this equipping seminar. Daudi Nkuggwa writes: "They have understood the importance of studying the Scriptures to teach sound doctrine and identify falsehoods used by false teachers across their region." **Pray for these leaders as they serve in remote Islands churches.**

Prayer Points

- **Pray for the Ugandan team as we meet and finalize ministry priorities for 2024.**
- **Pray for continued receptivity among the older Ugandan pastors to mentor emerging leaders.**
- **Pray for needed financial resources as expenses rise and ministry expands in unique ways.**
