

**Thoughts from Dave:** Our Ugandan and US schedules have ramped up as we moved into the final quarter of 2024. Give thanks with us for the on-going Emerging Leaders ministry as well as for the hunger of Ugandan pastors to understand and proclaim God's Word. Here in the States, amidst all the election hype, we are seeking to wrap-up 2024 in solid shape in order to position ourselves for the next three years of strategic ministry. Thanks for standing with us on this journey.

Pastor Charles from Kiibo Islands

**Ugandan Team's October Ministry** included two major events in uniquely different locations. In early October, the team traveled across Lake Victoria to the Buvuma Islands for a three-day Pastor's seminar. The team reports that 30 pastors and church leaders, from 10 churches on various Islands, made it to the seminar. It was good for the team to reconnect with these leaders after months away with the participants appreciating insights from the biblical teaching on conflict resolution.

**On October 17-18**, the Team traveled to Kiboga for an Emerging Leaders Training. Our Team, which included regional COHORTS, led the sessions focusing on a *Biblical View of Stewardship*. The 25 participating young adults were individuals that the COHORTS are discipling through use of the *Promises for Christ's Faithful Followers* Book 1. Another equipping session is set for November and will be led solely by the area COHORTS.
